

Our company is a close corporation (CC) trading as Expert Editing, and is based in Cape Town and Durban, South Africa. Expert Editing offers comprehensive, professional editing and proofreading solutions to business and private clients across South Africa and internationally. The company has extensive experience with documents of all kinds and lengths – across all disciplines, industries and subjects. Our editing and proofreading services are done only by editors with a Masters degree and higher, and all editors have substantial relevant experience. The chief editor holds a PhD and has more than 20 years of editing, proofreading and writing experience.

Editing ethics

Expert Editing is not involved with any academic work or with the writing of theses, dissertations and academic papers/articles. We do not write essays or take tests for our clients and will not become involved in any editing work where there is *any* chance of impropriety. We do not sell or promote any documents that could be presented as original work.

Client privacy

Expert Editing is committed to maintaining the privacy of all its clients. The information we collect is limited to the minimum personal details needed for the purpose of business communications and administration (e.g. name, phone number and e-mail address). Expert Editing will not make any such information available to any third party, except as required by law or during procedures required when in dispute regarding non-payment.

Copyright

All copyright rights rest with Expert Editing. No part of its website may be reproduced in any form or manner without the express permission of Expert Editing.

Disclaimer

Expert Editing is not responsible for the end use of any document produced or edited by the company. Clients are solely responsible for appropriate use, including abiding by copyright laws, plagiarism laws and requirements, and publishing requirements. The liability of Expert Editing and its associates is limited to the cost of the work delivered to our clients only – no further liability is acknowledged.
